Glazed Vitrified Tiles

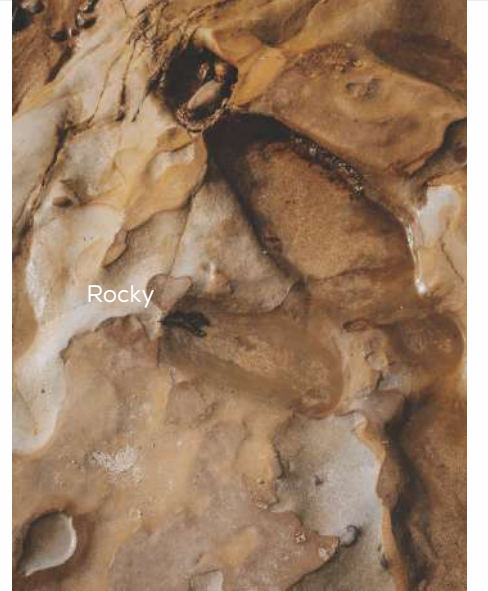

VISTARO

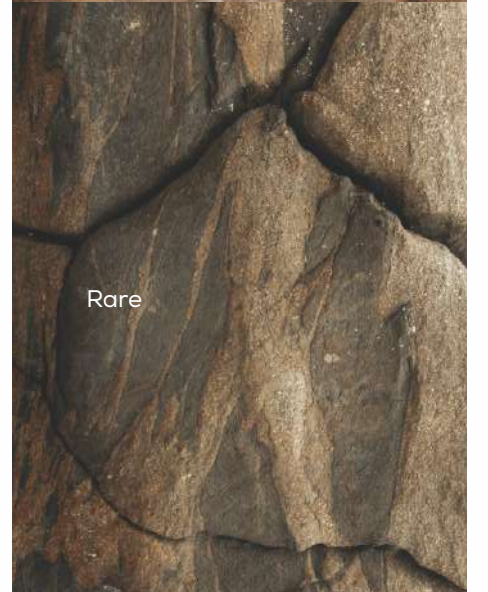

The Vistaro Collection draws inspiration from expansive, untamed landscapes where nature reveals its most elemental self – rocky, rare, and lyrical. These tiles embody the poetic depth of panoramic scenes carved by time and terrain, where stone meets sky in a quiet dialogue of power and grace.

ROCKY IN TEXTURE, RARE IN CHARACTER & LYRICAL IN PRESENCE

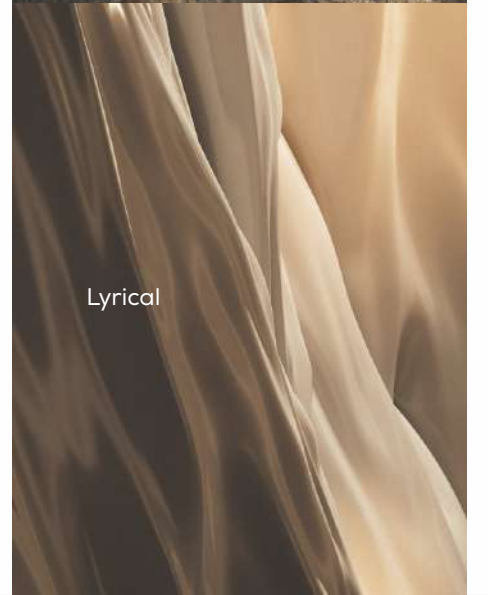

Crafted for modern spaces that seek depth, drama, and soul, Vistaro captures this wild serenity in textures that are both striking and contemplative. Each tile reflects the sculpted beauty of stone shaped by natural forces – raw yet refined, grounded yet expressive.

About Collection

Beyond beauty, Vistaro is about experience; walking across its surface evokes the feel of travelling a natural vista – immersive, timeless, and resonant.

BEAUTY FOR DEEPER & EMOTIVE CONNECTION

The Colortile Vistaro Collection celebrates the contrasts of nature and design – of untouched wilderness and intentional craft. Drawing on the complex textures and earthy tones of natural stone, this collection transforms interiors into grounded, emotive spaces, whether in a contemporary or rustic style.

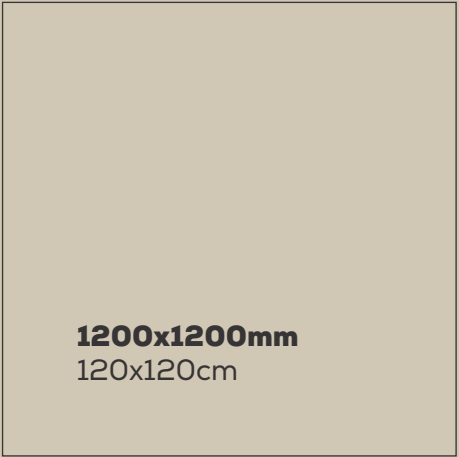

With its commanding 1200x1200mm format, Vistaro amplifies visual scale and surface depth. Each tile is available in Glossy or Rustic Matt surfaces, revealing surface details that shift with the light – like stone kissed by sun or softened by rain.
