Innovation,
Innovation in
Ceramic happens.**

when,

We have specialisation in manufacturing high-quality VITRIFIED and WALL TILES for every possible Architectural, Residential and Commercial use.

Colortile is one of the leading manufacturers of Glazed Vitrified Tiles and Ceramic Body Tiles in India. For over a decade now, Colortile has been innovating and manufacturing Floor and Wall Tiles with an aim to excel in the tile field and also to satisfy its ever-increasing client base.

We have installed a production capacity of over 22 million square meters per annum, spread over 3 manufacturing units at Morbi, Gujarat, India. Our factories are well-equipped with state-of-the-art technology and modernised laboratories to keep us ahead of the curve.

The Artistic Rhythm of Precision

Every curve flows with intent, every form holds rhythm like a silent warrior's movement. A design that speaks through discipline, symmetry, and artistic control.

Soul of Rich Indian Craftsmanship

Inspired by mosaic craftsmanship, each tile reflects precision, patience and the timeless beauty. To celebrate the detail, patience, and hand-crafted artistry, we recreated it with advanced precision & uniformity.

The ornamental detailing of ancient architecture once carved in stone and stained glass, inspire the symmetrical brilliance in our surfaces. The vibrant shades truly brings an energetic vibes in ambiance.

It makes your ambiance resemble delicate embroidery patterns that flow like threadwork, soft, rhythmic and full of expressive colors. The ultimate aim is to reflect the soul of Indian Art Culture.

MINIATURE 1.0

COLLECTION

The carving effect brings a glowing sheen to the matt surface, making every detail stand out with subtle brilliance. It blends texture and grace in perfect harmony.
